# PENSE BEM

**PENSE BEM** é uma série de livros de atividades destinadas a crianças de 6 a 12 anos. Com eles, vocês se divertem e, ao mesmo tempo, aprendem noções básicas de cores, formas, números, palavras etc. Os livros podem ser utilizados com o equipamento eletrônico **PENSE BEM** ou sem ele.

## Com o equipamento eletrônico **PENSE BEM**

Cada livro é dividido em cinco seções de atividades, mais uma (Programa 6) de avaliação geral. Cada programa pode ser feito separadamente.

**1.** Para começar, leia atentamente as instruções que estão na abertura do programa escolhido. Pressione as teclas indicadas na ordem correta. Imediatamente aparecerá no visor do **PENSE BEM** o número da primeira questão a ser respondida.

**2.** Cada questão apresenta quatro possibilidades de resposta. Selecione aquela que lhe parece certa e pressione a tecla do equipamento que tem a mesma cor da resposta escolhida. Se você acertou, o **PENSE BEM** passará à questão seguinte; se você errou, ele repetirá a pergunta.

**IMPORTANTE:** responda as questões na ordem em que elas aparecem no visor.

**3.** Depois de terminar as atividades de uma seção, automaticamente aparecerá no visor a contagem dos pontos. Escreva, no lugar indicado no livro, quantos pontos você fez.

## Sem o equipamento eletrônico

Assinale as respostas certas e conte 1 ponto para cada acerto. Escreva, no lugar indicado no livro, no final de cada seção, quantos pontos você fez. Repita duas ou três vezes cada seção, depois peça ao papai para fazer trinta perguntas, escolhendo-as ao acaso.

Dispense a última seção (Programa 6).

## Para brincar com seus amiguinhos

Se você quer jogar com seus amiguinhos para ver quem sabe mais, cada um deve responder sozinho a um Programa inteiro. Marque os pontos que cada um fez no final da seção, no lugar indicado no livro. Veja quem fez mais pontos.

# O que é, o que é?

Qual figura corresponde ao enigma?

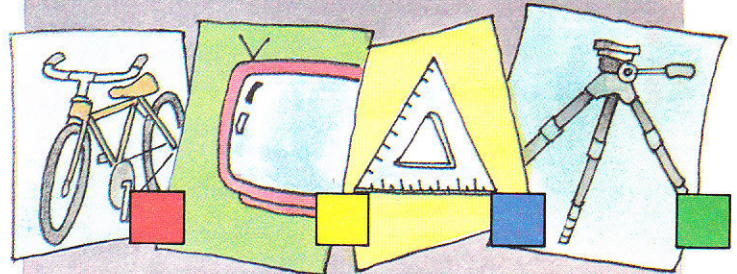

**67** É redondo,  
Esquenta a todos  
E ajuda as plantas a viver.  
O que é?

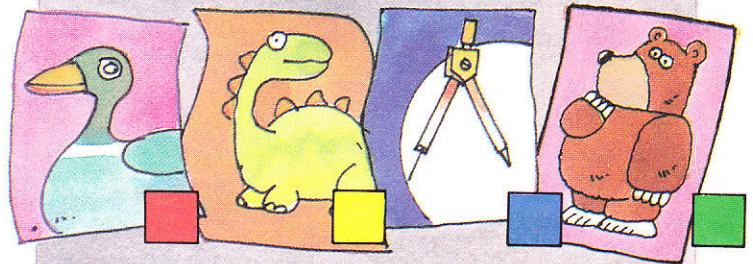

**68** Tem 5 pernas,  
Não anda  
Mas aquece as mãos.  
O que é?

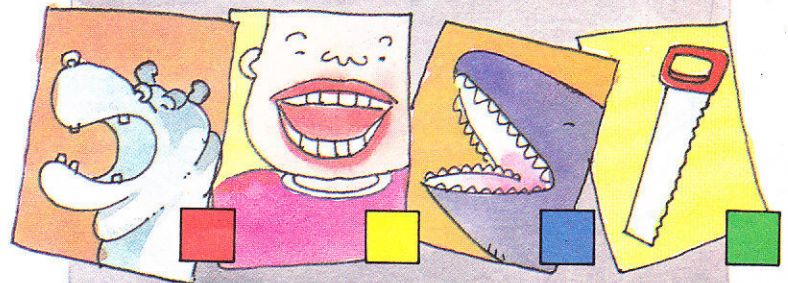

**69** Tem 3 pernas,  
Não anda  
E gosta de segurar uma câmara.  
O que é?

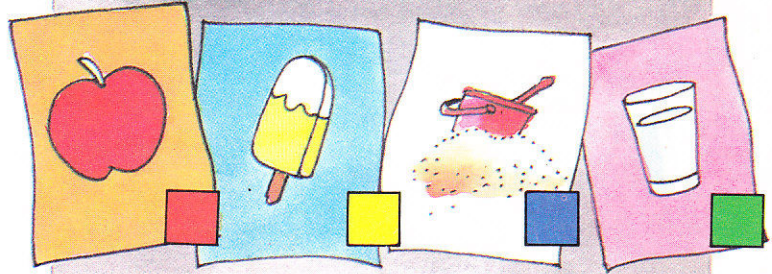

**70** Tem 2 pernas,  
Faz um círculo perfeito  
E gosta de medir distância.  
O que é?

**71** Tem dentes,  
Mas não come.  
Serve para cortar coisas.  
O que é?

**72** Cai das nuvens  
E as pessoas bebem.  
Fica dura quando gela.  
O que é?

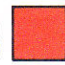

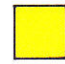

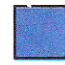

# Os ursos

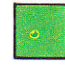

Leia as palavras numeradas e depois escolha a seqüência que melhor descreve as gravuras.
